Thanks for letting us know Kate.

Cliff – Would you be available this later week to touch base on the status of the peer review? We have been meeting about once every 3 or 4 weeks to check-in.

Dear Vicki, dear Dahnish,

Thank you for the opportunity to connect today.

I'm grateful to Dr. Cliff Duke ([CDuke@nas.edu](mailto:CDuke@nas.edu)), in copy, who will serve as the back-up point of contact for the formaldehyde study, as needed.

Thanks again,

Have nice weekend,

Kate
